

Happy Christmas

- You just need scissors and a glue stick
- tree decoration:**
1. Cut around the outside edges of the squares and circles [the cut-out shape will resemble a clover leaf: ♣]
 2. Score the folds
 3. Fold back the circle segments behind the pictures to form tabs
 4. Fold the sides with tabs so that adjacent tabs meet and glue them together
 5. Glue the knotted end of the ribbon inside the cube to come out at a corner
 6. Fold up the remaining two sides, glue the tabs and finish your cube
